We believe in children.

Water changes the lives of children. They have better health, improved nutrition, and can go to school instead of spending the day fetching water.

\$50 provides life-changing clean water to children in need.

World Vision is the largest non-governmental provider of clean water in the world.

Clean out your closets for World Vision!

One person's trash is another person's treasure. Annually, we each produce roughly 1,800 pounds of items that end up in landfills. What if some of that helped to provide safe & clean water for those who don't have it?

Collection time: May 3-29

Collection location: LUMC upstairs foyer

Please separate into these categories

1. All soft goods (clothes/ textiles) in trash bags
